CREDIT SOLUTIONS

Accounts collected  
for less than:

**10%**

## SILVER LEVEL STAGES

Recommended for balances between \$100 and \$500

### COMMUNICATION

**Most people want to pay their bills!** Finding the right way to communicate with them is the number one key to collecting the account. Each account receives a full service **105 day collection cycle including up to 33 attempts** to reach the responsible party by mail, phone, text and email. Over 70% of the accounts resolved will be achieved in the Communication Stage for a low fixed fee. By adding a collection charge, this program becomes **practically free!**

### RECOVERY

Accounts that have completed the Communication Stage and have not been **resolved** are considered **hard-core debtors**. The recovery stage has all of the tools necessary to pursue these accounts using **extensive skip-tracing** by our top **senior collection specialists** who will continue to actively pursue these debtors for **up to seven years**. Our Recovery Specialists will even assist sincere debtors **obtain employment**, or to secure **consolidation loans** to pay their obligations! All on a straight **contingency basis!**

### LITIGATION

Virtually every recourse available, including **litigation when warranted**, will be exercised to maximize your recovery ratio. **At your discretion**, qualifying accounts will be forwarded to a collection attorney, for the debtor's county, for complete follow through.

## INTEGRATED RECEIVABLES SYSTEM

The **Integrated Receivables System** is the most **innovative**, **affordable**, and **effective** accounts receivable recovery solution available in the collection industry!

The system consists of three unique stages; **Communication**, **Recovery**, and **Litigation**. The system is designed to be an extension of your own internal collection efforts to create a seamless collection program. With **recovery ratios more than four times the national average** it is far **more effective** and **cost efficient** than trying to manage accounts receivable in house alone. Your **net cost is typically LESS than 10%!**

Using modern **technology**, and creative **innovation**, The Integrated Receivables System offers, Federally compliant **Written Contacts**, **Text Messaging**, **Email Messaging**, and extensive **Telephone Campaigns** with Artificial Intelligence Support. **Advanced Recovery strategies** include; Extensive Skip-Tracing, Debtor Financing, and Job Placement Services, plus our exclusive **500% Return on Investment Guarantee!**
